WINDSOR OPENING TODAY

ATTRACTIVE CARD OF SEVEN RACES PRO-VIDED AT TRACK NEAR DETROIT.

Report Gains Circulation at Canadian Course That H. D. Brown Has Sold His Interest in Laurel Track to James Butler of New York.

Detroit, Mich., August 15.—The second and final meeting of the Windsor Jockey Club for the season of 1913 is scheduled to begin tomorrow. A splendid program is offered for the opening, with the D. B. I. & Windsor Ferry Co. Handicap as the feature. The conditions call for a dash of one mile and a sixteenth and, while the field is small, it is evenly balanced. The conditions augur well for keen sport. About 450 horses are on hand and many of the Kentucky stables will wind up their racing in Canada for the season with the Windsor meeting. Quite a few came from Saratoga this morning and more are expected tomorrow.

Five stakes will be run during the meeting, those aside from tomorrow's being the Essex Handicap, the Canadian Handicap, the St. Clair Handicap and the Windsor Stakes, to each of which \$1,500 will be added.

The stubles of Robert Davies and John W. Schorr.

the Windsor Stakes, to each of which \$1,500 will be added.

The stables of Robert Davies and John W. Schorr, which departed for Saratoga at the conclusion of the Fort Erie meeting, will return to Canada for the meetings at Montreal and Toronto. Both stables have Futurity elighles in Southern Maid and Vandergrift and it is said that both owners fancy the chances of their youngsters in this most important two year-old fixture. The form shown by Old Rose-bud and Pennant apparently has not frightened either Mr. Schorr or Mr. Davies and it is said that trainer Nixon of the latter establishment would welcome a public trial for the Futurity and that Southern Maid will be a certain starter in the proposed special race which the Saratoga Association is endeavoring to arrange.

A story is being circulated here to the effect that H. D. Brown has disposed of his interest in the Lauvel track to James Butler of New York. That negotiations have been carried on for a transfer of Ir. Brown's interests in the track to other parties has been rumored, but it was supposed that A. M. Orpen of Toronto would take over the stock. It is said that Mr. Brown will devote his energies to the development of a winter racing point, possibly Charleston.

Fred W. Gerhardy, the assistant secretary and

Charleston.

Fred W. Gerhardy, the assistant secretary and clerk of the scales at Windsor, has associated himself with several other Detroit men in the purchase of the Empire Theater in Cleveland. Mr. Gerhardy will assume an active part in the management of the Empire and will probably devote most of his time in the future to his theatrical enterprises.

NOTES OF THE TURF ABROAD

The Irish Derby of 1915 has closed with 128 nominations, which is a record subscription for the chief three-year-old event in Ireland. Amongst the subscribers are King George, who has taken three nominations. The Irish Oaks, which has been nade of the value of a thousand sovereigns, has also obtained a record subscription of 72. His Majesty has also honored the fillies' race by his patronage. He has engaged a couple of now yearings. Several other breeders in England have also given support to the two races.

given support to the two races.

Craganour's two-year-old sister, Glorvina, made her racing debut in the Mersey Stakes at the Liverpool July meeting and made a great impression. She is owned by Lord Derby and cost 3,000 guineas. The stable did not fancy her chances apparently, as the daughter of Desmond was on offer at "tens." Mr. Joel's Princess Dorrie being installed favorite, but Glorvina made every inch of the running and scored in a cauter by two lengths from the favorite, with Mr, Hulton's Siller a head away. The winner is one of the best looking of Desmond's daughters and holds a number of engagements, including the Gimcrack Stakes, and next year the Oaks and St. Leger.

FOOTLOOSE AGAIN A WINNER.

Anaconda, Mont., August 15.—Footloose easily repeated his recent victory and took the chief race of the day from moderate opposition. The usual throng turned out and witnessed good racing, although only two of their selections were returned witners. Jockey Woods, hitherto unknown as a rider, scored with two mounts, as did Bezanson. Jockey Stanford was suspended for five days by the judges at the conclusion of the last race for an incompetent ride on Jim Cafferata.

TWENTY LEADING AMERICAN SIRES OF 1913

The end of July found Broomstick supreme in the list of twenty leading American thoroughbred sires. He led his closest competitor, Ogden, by \$8,297, while last year's leader, Star Shoot, was \$9,461 behind him. It is of interest to note that up to the date named the aggregate winning of the progeny of the twenty leaders was \$493,815. This renders it certain that when the statistics of this year are compiled the sum total to the credit of the twenty most successful stallions will be greatly in excess of last year's \$725,456. Indeed, it is quite likely to pass the million dollars mark, sure token of slowly returning prosperity in American racing affairs. The really outstanding feature of the sire list is the remarkable showing of Star Shoot's brilliant son, Uncle. With nothing but two years old to represent him, this newcomer of great promise was sixth in the list and in Old Rosebud and Little Nephew had sent the two best two-year-olds of the year to the races to do battle for his fame. His instant success encourages the hope that other sons of Star Shoot's will prove successful in the stud and assist in maintaining the strong line of Ishglass and Isonomy in flourishing strength in this country, which is a very desirable thing in the field of theroughbred breeding. The twenty leaders at the time named and the sums to their credit through the provess of their sons and daughters were the following:

BUSKIN RUNS GRAND RACE

SUFFERS DISADVANTAGE AT START OF HANDI-CAP AT SARATOGA, BUT WINS.

Gracilla, Well Supported by Her Owner at 20 to 1, Wins First Purse of Eastern Campaign for T. C. McDowell-Two Favorites Successful,

Saratoga, N. Y., August 15.—This was a day of upsets. Favorites and "good things" in general fell by the wayside, Buskin and War Horn being the only first choices to reward the students of form. But the racing was interesting, well-matched fields going to the post in nearly all of the races. Buskin's victory came with the running of the handicap at one mile and an eighth, which was the day's feature. His race was of the sensational kind, as he was shuffled back at the start and ran in the rear to the far turn. Then he was taken to the outside and, closing with a dazzling burst of speed in the last sixteenth, he caught the leader, Star Gaze, and beat him a neck in a driving finish. Colonel Holloway, which came on to finish third, also showed a good performance, as he came from far back in the stretch.

T. C. McDowell of Kentucky won his first race of the meeting when Gracilla got home first in the handicap for two-year-olds at the lucrative odds of 20 to 1. Gracilla was well supported by her owner and his friends and she led all the way, although she had to do her best in the stretch; racing. The race was marred by much crowding and in the first sixteenth Golden Chimes, ridden by Rightmire, was crowded into the fence and thrown. Rightmire had his left arm and leg severely hurt and he is sure to be out of the saddle for several days.

H. D. Brown, manager of the Maryland State Fair Association, whose meeting will take place at Laurel, Md., during the month of October, announced today that nine stakes will be run off during the meeting, and the conditions for them will be announced town that he stakes and also in the overnight events and handicaps. Although the Jockey Club has not as yet granted dates for the meeting, which had their closing today, announced that the workers were liberal in making entries and that the workers were liberal in making entries and that the workers were liberal in making entries and that the workers were liberal in making entries and that the workers were liberal in making entries and

miced well. They are the Hardroof Hill cup Steepenchase and the Piping Rock Oaks, for three-year-old fillies.

Eight horses belonging to J. W. Schorr, of Memphis, reached here this morning from Fort Erie in charge of John F. Schorr, who trains for his father. In the lot are Leochares, Vandergrift, Edda, Hamilton and four others. Mr. Schorr lost no time in making entries, as he will start Vandergrift in the Hopeful Stakes tomorrow. Some of the horses in the string have been turned out, while others have been sent to Kentucky to rest until the fall season of racing begins there.

Program books are out for the two days of racing that will be given at Syracuse on September 12 and 13, in connection woth the New York State Fair. Entries to these races will close on August 28. There will be six races on the first day, four with \$400, one of \$500 and another with \$600 added. There will be five on the second day, one of \$500 added and the others of \$400 added. A military race will be the main event each day.

J. G. Greener, who will be remembered as the owner of Oiseau when he was a two-year-old, was among the visitors today. So was Jacob Pincus, who has been witnessing the racing here for the past fifty years and has not missed a meeting since 1864.

A. L. Aste's horse Paton probably will never face today and, in going back to his stable, broke down so badly that it is believed he will have to be destroyed.

NOTES OF THE TURF.

Clinton is reported to have worked a mile in 1:38% over the Windsor track a day or two ago. William Garth's complaint against jockey But-well is that he pulls his mounts up too soon when they appear beaten and that he is not amenable to discipline in the stable routine.

The report sent out from Fort Erie last week that W. R. Engstrom was booking there turns out to be incorrect. Mr. Engstrom is still booking in Montana, but will come east for the opening of the Havre de Grace meeting next month.

Charles Van Studdiford talked horse until he became almost blue in the face to a select audience on Olive street yesterday. Van Studdiford is now engaged in business in New York. He says racing has come back strong in the Empire State and predicts that pari-mutuel betting will be legalized by the next session of the Albany Legislature.—St. Louis Republic.

GOSSIP FROM KENTUCKY SOURCES.

Louisville, Ky., August 15.—F. D. Weir will ship the sensational two-year-old gelding, Old Rosebud, and the rest of the H. C. Applegate & Co.'s string now racing at Saratoga, to Churchill Downs immediately upon the close of the meeting at the Springs-Old Rosebud will be raced in several overnight events at Douglas Park, Churchill Downs and Latonia this fall and will wind up the Kentucky season in the Fort Thomas Handicap at the latter track, provided Secretary E. W. Maginn does not ask him to carry excessively unreasonable weight in that event.

in the Fort Thomas Handicap at the latter track, provided Secretary E. W. Maginn does not ask him to carry excessively unreasonable weight in that event.

Old Rosebud's victories at Saratoga in the Flash and the United States Hotel Stakes make him the leading money-winning horse on the American turf this season, with whinings of close to \$20,000 in stakes and purses. Of the five two-year-olds that H. C. Applegate & Co. bought in a lump last fall from J. E. Madden all but the Ogden-Masquerade colt have won, Edith W., Aunt Mamie and Ida Lavinia being in the collection in addition to Old Rosebud. These three and Old Rosebud have won for this Louisville firm a total of twenty-three races and \$24,125 in stakes and purses.

While it has not as yet been fully decided, it is believed that trainer F. D. Weir will winter Old Rosebud at Juarez and there prepare him for his engagements of 1914 in the Kentucky and Latonia Derby races. Trainer Weir considers Aunt Mamie as the best of his other two-year-olds. She is not entirely sound, which explains why she has raced so little since leaving Juarez last spring.

W. F. Schulte is spending this month at his home here, having abandoned his accustomed trip to Canada and Saratoga. He makes almost daily trips to Churchill Downs, where his horses are in training in charge of R. F. Brooks. He is much pleased with the present condition of his old favorite, King Olympian, and is confident that this noted performer will return to the turf this fall in winning form. The Schulte stable will be shipped to Lexington for the fall meeting which begins there on September 11.

T. P. Hayes' Kentucky Derby winner, Donerall, has not only been entered in the Kentucky Endurance Stakes, four miles, but in the Douglas Park Illandicap, the Louisville Cup, two miles and a quarter. Donerall will reach Douglas Park fall meeting.

Henry McDaniel, now racing his string at Vancouver, will see some racing in Kentucky this fall, but will ship none of his horses here. He is coming to Kentucky to Secure some yea

The racing string of Earl Linnell will be one of earliest arrivals at the local courses from Canada, that horseman being expected to reach Louisville with his stable, including Osaple, Ymir and several other performers early the coming week. While in Kentucky this fall Mr. Linnell hopes to be able to pick up several other useful horses to add to his stable which at the windup of the Latonia autumn meeting will be shipped to Mexico for winter racing at Juarez.

W. F. Cisco, of New Albany, is booked for an early return at Churchill Downs for the fall Kentucky racing campaign. Cisco hopes to add a good horse to his string before he returns here.

James MacManus' entire stable, now at Saratoga, will be shipped to Churchill Downs at the close of the meeting there and a small division of the establishment will go to Lexington to race, though the better horses in this string will do their first fall racing in this state at the local courses. Mr. MacManus is said to be again in the market as a purchaser of yearlings this fall. While there were no stake winners among the youngsters he purchased last season, he has not quit loser on the venture. He hopes that in his next effort in this line he will be rewarded by an Old Rosebud or a Little Nephew. He has not owned a great stake winner as a two-year-old since Rocky O'Brien won the Hopeful Stakes.

Mars Cassidy, now starting at Saratoga, will again fill this position at Douglas Park, Churchill Downs as assistants here this fall and also at Juarez, his old stand-bys, James Osborne and William Howard. Reports from Saratoga are to the effect that Mr. Cassidy's work there this summer has been highly satisfactory.

Eugene Eirod will be here early next week arranging for pari-mutuel operations during the meetings this fall. He will go to Lexington to take charge of the betting ring. Elrod will, as usual, in addition to his duties on the Kentucky tracks, have charge of the betting ring at Juarez next winter, a position he has held since that track opened in 1909 1910.

J. F. Gref

J. F. Grefer will again bring to Kentucky this fall the good three-year-old filly, Floral Park, which has improved greatly in her track manners, it is said, since she was last seen under colors here. Last fall she raced brilliantly at Douglas Park, Churchill Downs and Latonia and it may be that she will come back in the same grand winning condition this season. She lost the Kentucky Oaks last spring by bolting to the inside fence after seemingly having that event at her mercy. tion this season. She lost the spring by bolting to the inside for having that event at her mercy

Totals (25)302 37 55 54 156 \$17,180 HOW TRACERY WON THE ECLIPSE STAKES.

Tracery's success in the \$50,000 Eclipse Stakes, at Sandown Park, July 18, was easily achieved. The race is at a mile and a quarter and with 140 pounds on his back Tracery ran the distance in 2:13%. The time was slow but in view of the fact that the going was quite heavy, it represents a fast run race. King George was present and viewed the running of the big race with lively interest. The net value of the event to Tracery's owner was \$43,675 and if he supplements this by winning the Jockey Club Stakes at Newmarket next October his total winnings will have passed well over the \$100,000 mark. As to the race itself London Sportsman of July 19, said: "There was a big attendance at Sandown Park yesterday, and his Majesty was present to see the race for the Eclipse Stakes. The course had been immensely benefitted by the recent rains and yielded perfect going. Racing opened with a couple of Selling Plates, which may be briefly disposed of. Journeyman was never travelling smoothly in the Milburh Plate, and though he raised hope when he deprived Amami of the lead soon after turning into the straight, he could not get out of the way of Blackstone, who won easily. Ballyoukan and Red Finch, the respective mounts of Maher and Wootton, were the prevailing tips for the Ditton T. Y. O Plate, but though the former came out the better he in turn had to knock under to the filly by Rodney out of More Noise, who took up for tably by a couple of lengths. The way was now clear for the Eclipse Stakes, the field for which stopped short at seven. Lorenzo did not put in an appearance, but this caused no surprise, as, though he had accompanied Tracery from Newmarket, there was no intention to run him as

long as the big horse was all right, the fact being that the son of Rock Sand and Topiary is a particularly high-couraged horse, apt to get a bit above himself. In the paddock he was ridden all the time and sweated a lot, but he was sober of temperament and John Watson had him in the perfection of hard, muscular racing condition. Indeed, for afterning grandeur he simply dwarfed he that touches to Louvois, and supperintending the that louches to Louvois, and supperintending for being proud of his condition and woog manifor his property of hi
